Public Convenience and Necessity)	

This matter comes before the Public Service Commission of South Carolina (the “Commission”) on the request of Gerald Brice d/b/a Chuck Town Transit (“Chuck Town”) to rescind Commission Order No. 2010-396. By Order No. 2010-396, issued June 2, 2010, Chuck Town was granted authority to operate as a motor carrier in South Carolina under a Class C Taxi Certificate of Public Convenience and Necessity.

On June 16, 2010, Chuck Town filed a request with the Commission seeking rescission of Order No. 2007-814. According to Chuck Town, the Application it filed for a Class C Taxi Certificate was in error, and instead, Chuck Town intended to apply for authority to operate under a Class C Charter Certificate instead of a Class C Taxi Certificate. Therefore, Chuck Town requests that Order No. 2010-396 be rescinded.

After consideration of Chuck Town’s request, the Commission is of the opinion, and so finds, that Order No. 2010-396 granting Chuck Town authority to provide motor carrier services should be rescinded.
